

Returning items

Gamble Guides

Return your loans either:

- To the issue desk when the Library is staffed and someone is at the desk OR
- To the book return box when the Library is unstaffed and no-one is at the desk.

When the Library is closed the book returns box will be opposite the main door of the Library. You can put the Library items you want to return in it when we are closed. Library staff will empty the box and discharge them from your card the next working day.
