Application Form Enquiries

If you have any difficulty in entering information on the on-line application form, please contact College Administration at admissions@union.ac.uk.

The following section provides an outline of the stages involved in the admissions process.

Admissions Process

Stage 1

On receipt of your application, we will check that you already meet the minimum requirements for your application to be considered for the BA Hons Theology. The minimum requirements are five GCSEs (to include English Language at grade C/4) or equivalent.

If you meet these minimum requirements, the College will consider your application. (See stage 2). However, if you do not meet these minimum requirements the College will reject your application at this stage and will notify you of this.

Stage 2

We seek to admit students who are able to benefit from the opportunities available at Union Theological College. We require all applicants to demonstrate a good general education. Therefore, good examination results are the main factor in assessing undergraduate applications. However, we may also use other sources of information to ensure we admit students with the most potential. These might include:

- Prior and predicted grades;
- Evidence of knowledge and commitment in your personal statement;
- Confidential reference
- Performance at interview (when appropriate)
- Any exceptional circumstances or personal barriers to learning that you have faced

We will offer places to those eligible applicants who best meet our selection criteria and who, in our view, are most likely to benefit from the programme and contribute to the College community. We welcome applicants who have been home-educated.

If you have already completed A levels or equivalent and are not awaiting the outcome of further examinations (including any GCSE qualifications required), the College will judge whether to make an unconditional offer based on your application. The minimum requirement for an unconditional offer is BBB at A level or equivalent.

If you are waiting for results of A level or further study, the College will judge whether to make a conditional offer.

Stage 3 August 2022

On receipt of results for applicants, the College will contact applicants who have met the requirements of their conditional offer in order to make a firm offer of a place. Applicants who do not meet the offer requirements will also be notified by the College.

Stage 4 September 2022

Once a place has been accepted, the College will send out a welcome pack regarding induction, course commencement dates, and the terms and conditions for the programme.
